## Student Cooperative

Once again the Cradock High SCA is quite successful of the leadership of President Glenn Smith. Along with our cooperative sponsor, Mr. Weatherford, we sponsored several activities in the fall of the year. In September the SCA sponsored a Back-to-School Dance and a Karate Assembly. They once again put off a successful Homecoming and Thanksgiving Food Drive. At Christmas they had the Children's Christmas Party, Christmas Door Contest, and Christmas Mail Service. Later in the year they had a Valentine Mail Service and a "Be Kind to Animals Week." They had a March of Dimes assembly and a SCA assembly in the spring. Of course the climax of the year was the "Miss Cradock Contest," which is always a success. The SCA is also responsible for selling coffee and doughnuts before school and conducting student forum.

# *Future Business Leaders of America*

Future Business Leaders of America is an organization for all those persons interested in learning more about the business world while learning to work with others. It helps one become aware of opportunities offered in business careers.

Business Management will be learned through the money-making projects attempted and completed. One will learn the meaning of competition by participating in the contests on the Regional, State, and National levels. Through the year the Future Business Leaders of America will be participating in Money-making projects so we may travel to San Francisco for our National Convention.

Our state contests will be held, along with the state convention, in Virginia Beach during a weekend in April. Our last event of the year was our employer-employee banquet.

# *Future Teachers of America Becomes Students Education Association*

The F.T.A. has a new name — Student Action for Education. S.A.E. is interested in all students — not just students planning a career in teaching.

Club members have tried to express their gratitude to the faculty and staff of Cradock High by preparing "Trick or Treat" bags (stuffed with candy) for the teachers for Halloween. These bags were put in the teachers mailboxes.

For Christmas, S.A.E. members made pencil cans for the faculty and staff. These, too were stuffed with candy.

Kappa participated in the Homecoming float parade and won second-place in the most original category. On January 25, 1974 the club held a rummage and bake sale in the school cafeteria. This was evaluation day and the teachers supported it very well. The money went to pay for our page in the annual. We are in the process of planning our annual Mother-Daughter Banquet for the month of May.

# Debate Team

The Debate Team of Cradock High School made a good showing at the Great Bridge match in November. A match is planned at Maury in January. Problems have been encountered in planning attendance at Debate Matches due to the lack of funds. Cradock's debators were only allocated the pitifully small sum of \$100 to cover all the expences of entry fees, transformation costs, and related expenses of the team for the entire 1973-1974 school year. Staying outside selling candy and doughnuts is not conducive to working on a case for your next debate match.

## Marching Band

The Cradock High School Marching Band performed at eight football games this year. Our marching band also participated in the Portsmouth Christmas Parade, where they received a first place rating in marching and playing competition. Also for the fall semester, they took part in the University of Richmond Marching Band Contest and Band Day. The band members summarized this trip as one of work, but mostly fun and excitement. Six of

our band members made District III Regional Band and nine members the Workshop Band. For the Spring semester, the band held a "Swing Out '74", and two more parades, which were the "International Azalea Festival" Parade in Norfolk and the Memorial Day Parade in Portsmouth." In late February, the band participated in the District IV Band Festival. Altogether our marching and concert band had a busy and fulfilled year.

# *Sports*

In past years at Cradock High School sports are a major part of the curriculum. Cradock offers athletic programs in football, basketball, wrestling, tennis, track, and baseball. Cradock sports are coached with one supreme attitude which is "victory is everything." But

sportsmanship also plays a major role in competition. Cradock has earned its share of trophies and its share of bruises due to athletic competition. Yet the bruises don't hurt as much, as long as the Admiral tradition is upheld. Winning!

An ever present reminder of Cradock's contention in sports is a memorial of each athlete's dedication.

Calvin White returns a kick-off against Norcom.

Coach Thompson looks on in disbelief.

Jamie Brinkley catches a touchdown pass from Jensen Baker against Western Branch.

Harvey Jones sweeps the right end for a sizable gain in the homecoming game.

## *. . . And So Does Coach Wade*

Wade: Richard, how could you drop such a beautiful pass?

Harmon: The pattern I ran took me straight to Manor's sidelines and their Cheerleaders all turned cartwheels.

Wade: What has that got to do with you dropping the pass?

Harmon: Nothing, Coach. Just Nothing.

Does anybody know what's going on out there?

Mike Dowell, Keith Brinson, and Bruce McGavaran, are in hot pursuit.

Calvin White makes an unsuccessful attempt at sweeping right end.

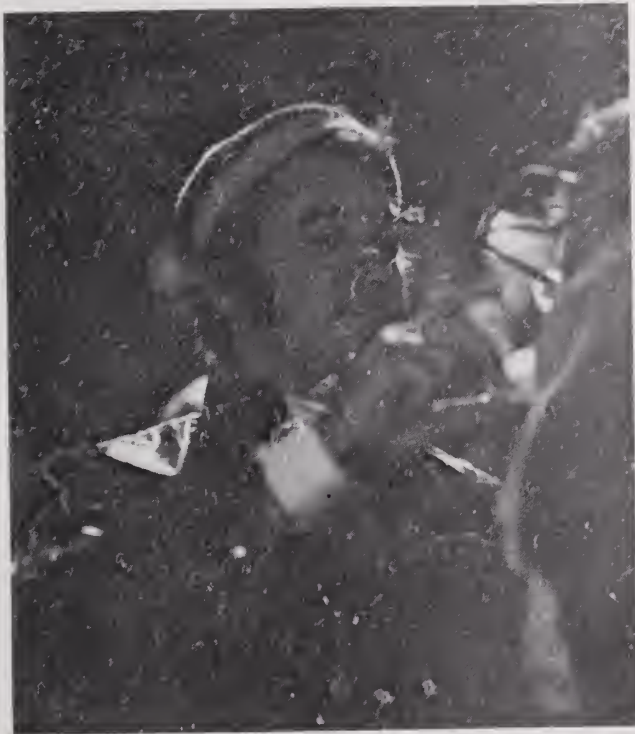

Keith Brinson, punter, averaged over 45 yds per punt.

# Norcom And Churchland Fall Short

Coaches must rely on weekly training to carry his team through the game. Should he lose, he stands alone.

Coach Honeycutt administers first-aid for an infected ZIT!

Regardless whether we won or lost the Admiral spirit remained supreme.

# Basketball

The '73-'74 Basketball Team consisted of: Bottom Row: Mike Turner — Manager, David "MacBee" Carter, Mark Jernigan, Keith Brinson, Mac Carroll, Kelly Miller, Mike Mitchell, Tony Colden. Top Row: Harvey Jones, Chris "Tuts" Martin, Glynn Moore, Jenson "Lite" Baker, Lester Peters, Tony Smith, and last yet not least, Coach John Sumner.

Often Coach Sumner would leap to his feet and motion for a time-out, to reassemble his modern 1-4 offense. Through persistent determination the victories that were accomplished were really big.

# *Tony Smith Finishes Among Top Ten In State*

Tony Smith's ability enabled him to complete many treacherous maneuvers. Mostly, find that badly needed lay-up.

Jenson "Lite" Baker cuts a jumper as Crabman Carter muscles for a rebound.

Tony Smith carrying on the reputation of his family as a basketball star learned his game on the same courts as Norfolk State star, Rudy Peele. Tony has also been offered a scholarship to Norfolk State to play basketball. Tony then plans to play professional basketball for the Virginia Squires. He comments, "I sure can't hurt them any."

## *Seniors Provide Experience And Knowledge Throughout Year*

David Carter, with one of his many unorthodox moves, coined this phrase from the courts, "Get down, Rookie."

Glynn Moore and James Brinkely find that rebounds are necessary for victory.

## *J.V.'s Prove Conflicting Desires Cause Excitement*

This year Junior Varsity, coached by Larry Manning, found the road rugged as well as disappointing. With the semester

cut the team was reduced from 14 to two 8th graders.

# *Sumner & Squad Bounce and get Bounced*

The 1974 Sports section wishes to apologize for the entry of such a picture in this section. Our deepest sympathy goes out to Harvey Jones who is definately being hung. The only other picture we could possibly put in this spot was a shot of Mr. Clements falling down the bleachers, which is kind of athletic when you come to think about it.

This is the face of persistant determination . . . . . yuuch!!

# Wrestling

From Left: Top Row: Doug Carter, Robert Roper, Rusty Maynard, Barry Bridgeman, Cliff Ward, Sport Allen, Tony Strawdenman, Karl Wayne Riddick; Manager. Bottom Row: Richard "Truck" Grimsely, Elwyn Sweet, Bill "the Stud" Pearson, Terry Evans, Glen Smith, Steve Thomas, Tracy Mutter, Joe Vogler, James George, Jim Seed Coaches Hunnicut and Martin are in the picture also, somewhere.

Coach Hunnicutt's dedication to the sport astounds even me.

Bill Pearson broke into the sport and did fairly well with only back-seat experience. (Smack)!!

# *Cradock Grapplers Led By A Truck?*

Richard "Truck" Grimsley led the scrapping Admirals throughout the 1973-74 wrestling season. Defeated only once in regular season, he went on to take fifth place in the Eastern Regional Tournament. Pouring off a lot of steam, he rolled over many opponents.

Lord, son what kind of deodorant do you use?

Remember, pick and roll to the weak side forward and you've got him.

# *Hunnycutt And Team Struggle.*

Glenn Smith in his last year of wrestling made a respectable name for himself. In tournament action his opponent is not only biting but eating the dust. Glen lost very few matches in winning the

hearts of the fans and hatred of his opponents. Even though Glen didn't win all of his matches, the matches he did win were won honestly and skillfully through an unconquerable desire.

Jim Seed and Tracy Mutter lead the Admirals forward in their customary pre-match confrontation.

Truck doing his thing at the regional. But the question is just what is his thing?

# Graps Inexperienced Yet Aggressive

Steve Thomas, is putting a full stop to a Churchland Trucker.

Rusty Maynard immediately after a pin shows the true meaning of The Thrill of Victory!!!

"Young Man . . . this is known as wrestling. Now the object of the sport is to . . . . .

## *Tennis*

This year's Tennis team consists of: left to right: Alben Sellers, Buster Best, Terry Dorn, Thelma Loehr, Terry Smith, David Parron, Bottom: Donny Smith, Michael Stricklin, Gary Stokes, Timmy Skeens, Buddy Moore.

Few people realize that in exactly  $38\frac{1}{2}$  years "Deuce" T. Dorn will be the next Billy Jean King. When questioned about this he replied; "I think I've been hanging around Mr. Precythe too long".

# *Netmen . . . and Thelma - Bring Home the Bacon*

Alben Sellers shows correct forehand form.

Zeke "The Greek" Smith showing his stuff.

Buster Best delivering an ace.

David Parron and his "Weak" backhand.

# Baseball

On the Baseball team this year were: Top Row: Wayne McClellan, Wayne Hunt, Spook Woods, Jerry Cohen, Terry Wilbarn, Vonney Schultz, Keith Brinson, Harvey Jones, Jimmy Martin, Cliff Ward, Rusty Tracy, Richard Harmon, John Myers, Alton Copeland, Charlie Edwards, Kelly Miller, Jack Kramer, Barry Bridgeman, Donnie Cox and Garry Hammond.

This year, like last year, the Baseball Team was coached by Jerry Shackelford and Slammin' Sammy Sneed.

The coaching staff had the addition this year of Robbie Hughes. His pitching help has added considerable knowledge to the team.

## *Lack of J.V. Program Could Prove Detrimental*

Neither this year not last year was a J.V. team provided. Every year is approached with the motto, "The future is Now." This allows little or no preparation for upcoming teams. So, in other words, if we are gonna win at all, we are gonna win now!

## *Successful Hopes Ride on Seniors.*

. . . . Sounds like a personal problem to me, Coach.

How in the heck was I supposed to cover the base. I was charging the ball!

Within this photograph lies the might, strength and power of the 1974 Baseball Team. The seniors of 74 hope to make it really big in their last, glorious year. They are: Wayne McClellan, Richard Harmon, Rusty Tracy, Charles Edwards, Kelly Miller, Donnie Cox, Keith Brinson, Jerry Chinn and Vonney Schultz.

# Track

On this years track team were: Front Row Left to Right. Mark Jernigan, Carl Twisdale, Bill Pearson, Mike Lamb, Micheal Blow, Mac Carroll, Carl Burrell, Jimmy Duke, Lester Peters. Bottom: Henry Colden, Charles Satterfield, Alton Bynum, Al Wilkerson, James Fox, Edney Jones, Ruddy Sykes, Clarence Parker.

Coach Thompson, Carl Burrell, and Mike Lamb.

Lester Peters, Mac Carroll, Henry Colden, and Edney Jones are just hanging around.

Mark Jernigan shows his high jump form.

Jimmy Duke shoots the "put".

Lester Peters, Michael Blow, Mac Carroll, Clarence Parker, Rudy Sykes puttin out from the start as Mr. Thompson stares intently.

# Cross Country

This year's cross country team consisted of six hard working and persistent admirals that received little credit or praise for their efforts. They are: Terry Dorn, David Stokes, Donnie Smith, Jimmy Martin, Carl Borrell and Billy Taylor.

Terry Dorn, David Stokes, Jimmy Martin, show their form with good reason.

Carl Borrell, Donnie Smith, Billy Taylor, also show their form with good reason.

Senior Class Poem  
by  
Dean Alley

The four years we have spent at Cradock  
Has given us a firm foundation.  
We have put away our books and papers  
With a feeling of enraptured elation.

Now we move on to meet the future,  
Knowing we can pass the test.  
Cradock has given us the tools we need;  
We are as good as the best.

We will miss our Alma Mater,  
And the things we hold so dear.  
Every time we had a problem,  
Help was always near.

We have walked these halls so many times,  
As other classes have done.  
As we prepare to leave this place,  
We feel our cause was won.

The hallways soon will be silent;  
Our voices will fade away.  
Even though we leave forever,  
Our thoughts will always stay.

*Valedictorian: Dean Alley*  
*Salutorian: Glenn Smith*
